Join the Co-op Connections[®] Program

Dear Business Customer:

We have an exciting new opportunity for your business. We'd like to invite you to join us in a new member benefits initiative, the Co-op Connections program. This program gives you the opportunity to offer our cooperative members valuable discounts. In exchange for your participation, we promote your business and discount offers to our members at no cost to you. The program is designed to benefit your business and our members.

San Luis Valley Rural Electric Cooperative, Inc., in conjunction with other Touchstone Energy[®] cooperatives around the country, has developed the Co-op Connections program to deliver more value to members and assist participating businesses in increasing customer visits.

This year we will closely monitor the program's success and give you the opportunity annually to opt in or out of the program. This program gives your business exposure to our 7300 and millions more served by our fellow Touchstone Energy cooperatives.

The enclosed brochure describes the program in detail. Participation is easy and should help give you a marketing advantage with our 22 million-and-growing membership!

Please review the brochure, call us with any comments or questions and return the participation form. Contact us at 719-852-3538 or cjones@slvrec.com.

Sincerely,

Cheryl Jones,
Member Relations Coordinator
San Luis Valley Rural Electric Cooperative, Inc.

By signing this Contract I agree to be a participating Co-op Connections business and will give discounts to all Co-op Connections Cardholders as noted in the Co-op Connections brochure. I can provide whatever discount I want, as long as it is something that provides a real economic value to Cardholders. I have chosen the discount described below. I will continue to offer this discount (or a better discount) for a minimum of one year, unless my local cooperative, **San Luis Valley Rural Electric Cooperative, Inc.** terminates this Contract as provided below or Touchstone Energy Cooperatives, Inc. ("Touchstone Energy") either terminates the Co-op Connections program or Local Co-op's participation in the program. This Contract is effective from the day I return a signed copy until the day it is terminated as described below.

Check here if your business would like this agreement to automatically renew at the end of one year unless either party terminates this contract.
