

Sign me up for Green Power!

Name _____

Address _____

City _____ State _____ ZIP _____

Telephone _____ Account No. _____

Number of blocks (100 kWh each) you want*: _____

Signature _____

**Multiply this number by .40 to determine the additional amount per month you will pay for green power. You must commit to purchasing renewable energy each month for a minimum of one year. If you want to offset your entire electric use, contact customer service for an estimate of your average monthly use.*

All of the renewable energy you purchase through the Green Power Program will be charged the base energy rate of \$0.40 per 100 kWh block **in addition** to your regular monthly kWh charge. This price may change if Tri-State adjusts their wholesale rate (the last adjustment was a 40 cent decrease in cost).

To sign up, include this form with your next payment or send it to:

San Luis Valley REC
3625 US Highway 160 W
P.O. Box 3625
Monte Vista, CO 81144

As the interest and commitment of SLVREC's members for renewable energy grows, the cooperative will seek new opportunities to purchase power generated from renewable resources.

A portion of the revenue generated by the Green Power Program will be used to develop local renewable energy projects.
