

SAN LUIS VALLEY RURAL ELECTRIC COOPERATIVE, INC.
ELECTRIC RATE TARIFF
Renewable Resource Power Service Rider Surcharge

Availability

Available to all consumers that have completed and returned a "Purchase of Renewable Resources Generated Contract" to the Cooperative which indicates the number of 100 kWh blocks per month the consumer intends to purchase.

Rates

The rate surcharge will be a renewable power premium (added charge) for all renewable power delivered to the participating consumer. The renewable rate premium will be the current rate published by Tri-State plus \$0.30 per 100 kWh monthly block in addition to the applicable rate to the consumer.

Surcharge Use

Any excess revenue generated from the Renewable Resource Power Surcharge will be used to assist local renewable energy projects.

	<u>Power Supply</u>	<u>System Cost</u>	<u>Total</u>
Per 100 kWh block, per month	\$0.10	\$0.30	\$0.40

This tariff is subject to SLVREC's Electric Service Terms and Conditions. The Electric Service Terms and Conditions tariff is available upon request.
